

Sunbury-York South Rural Plan

Public Open House

The new draft Rural Plan for Sunbury-York South Rural Community has been changed to address public feedback. You are invited to a third open house at which you will have the opportunity to learn about the proposed changes.

Location: Rusagonis United Baptist Church (4 Whittaker Road)

Date: Monday, June 22, 2026

Time: 6:00pm – 8:00pm

(a short presentation will begin at 6:15pm)

What to Expect

Following the April 2026 Open House and subsequent public feedback, several revisions have been made to the draft Rural Plan. This Open House will provide residents with an opportunity to hear about the draft Rural Plan development process at a high-level, learn how public feedback influenced revisions to the draft, ask questions and discuss the proposed changes one-on-one with staff from CRSC and GEMTEC, and provide additional comments prior to the Public Hearing and formal adoption process.

Where to Find the Current Draft Rural Plan

Please visit the Sunbury-York South website at www.sysrc.ca to view the current draft Rural Plan and a document summarizing the feedback received and changes made.

Any questions or comments can be directed to GEMTEC at:
